

Learn how to help your baby latch deeply at your breast

**The Key to a** pain free, effective, breastfeeding experience

Watch **'Follow Me Mum'**

by Rebecca Glover

DVD Online

Unlimited viewing:

7 days for \$9.95

4 weeks for \$19.95

Watch before & after baby is born

Very clear & easy to watch

Simple steps explained

Each step demonstrated

*"Your video changed my (our) life!  
...the first weeks of breastfeeding  
were very difficult... I dreaded every  
feed... and was about ready to give  
up, when a volunteer consultant lent  
me your video... I must have  
watched the video ten times. A day  
later, my daughter and I were on our  
way to a great breastfeeding  
partnership."*
